G.O.Ms.No.1163, Revenue dated 23.6.1930.
Board's proceedings No.Mis.1308, dated 24.9.1947.

O R D E R:

One of the proposals made by the Board of Revenue in its Proceedings read above is that the powers of the Collectors, under Article 22 of the Special Funds Code, to sanction estimates for cattele-pounds and village chavadis should be raised to Rs.2,500/- in the districts of South Kanara, Malabar and the Nilgiris and the Agency tracts of Vizagapatam, East Godavari and West Godavari and to Rs.2,000/- in the other areas. The reason for the proposal is that the cost of building materials and labour has risen considerably in recent times. The Retrenchment and Re-organisation Committee have recommended the proposal.

2. The Government have considered the proposal and have decided that the Collector's powers to sanction estimates for cattle pounds and village chavadis should be raised to Rs.1,500/- (One thousand five hundred) in all districts. The Board is requested to issue instructions accordingly and take steps to amend the Special Funds Code.

3. The Board is also requested to report on 1st April, 1951 whether, with reference to the cost of building materials and labour at that time, the Collector's power to sanction estimates for cattel -pounds and village chavadis, fixed in this G.O. would need modification.
